Mr. Thaddeus S. Mellinger,

Dear Sir:

The newspaper accounts of the Hall Mills murder at the time of the original investigation quotes you as saying to reporters, that Henry Stevens and his wife were fishing on Barnegat Bay until 10:30 or 11:00 P.M. on the night of September 14, 1922.

Can you give me any light on this? Whether this is a correct quotation from you or not?

AS:L

Yours very truly,
